

## Certificate of Achievement

**KHALDOON MUTAHAR**

20 July 1996

has completed the following program

### **GOOGLE IT SUPPORT**

This Google program introduces professional IT support fundamentals, including troubleshooting and customer service, networking, system administration, and security.

After completion students are able to

- use common problem-solving methodologies in an IT environment
- utilize operating system and networking knowledge to troubleshoot common issues
- manage and maintain an organization's IT devices, IT tools, and data
- evaluate potential risks and recommend ways to reduce risk

Kiron provides students with a digital learning platform to gain important career and 21st century skills including digital literacy and intercultural collaboration. By participating, the student has demonstrated persistence, determination and a strong dedication to contributing to society, sustainable development and personal growth.
